

## PROJECT PROGRAM

### Duration

5 days in Bolsena to meet voluntary organizations from Germany, Spain and the island of Malta.

### Purpose

The project will focus on social inclusion and non-discrimination in an inclusive Europe.

Town twinning is one of the main means by which European communities have opportunities to meet and exchange, promoting knowledge of different cultural expressions

### Methodology:

The goal is to rediscover our cultural heritage with reflections on the future of Europe, on the sense of belonging to the European community and on the benefits that derive from it
